

PUDDLE BUDDY RESIDUE PUMP

A

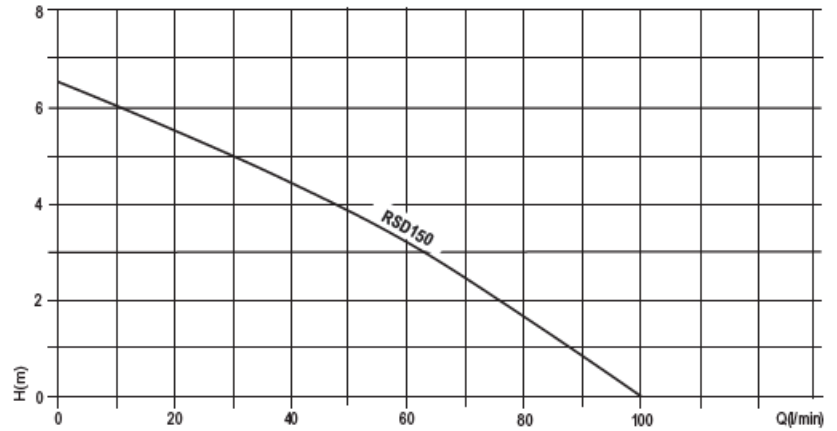

The Puddle Buddy pump is an all-round semi-professional and highly portable residue pump, designed for clean water in domestic applications - flooded rooms, garages and cellars. Will start pumping at approx 2mm water level. One inch male top outlet complete with 1" / 3/4" / 1/2" step adapter female hose tail. Single mechanical seal and oil seal. Complete with 10 metres of power cable and anti air lock valve especially useful when using in shallow water. These pumps must not be installed/left laying on their side. Low level control see pages 88 & 89.

Features

- Plastic Pump Body
- Plastic Impeller
- Max Solids 1mm

Applications

- Domestic Duty / Light Commercial
